OPERATION ROUND UP® 2019 GRANT GUIDELINES

PURPOSE

Operation Round Up is a grant program made possible by the generosity of the members of Beltrami Electric Cooperative. Participating members voluntarily contribute to Operation Round Up by allowing their monthly electric bills to be rounded up so that their change can help make a big impact through the efforts of local groups and organizations, working to make our community a better place to live and work.

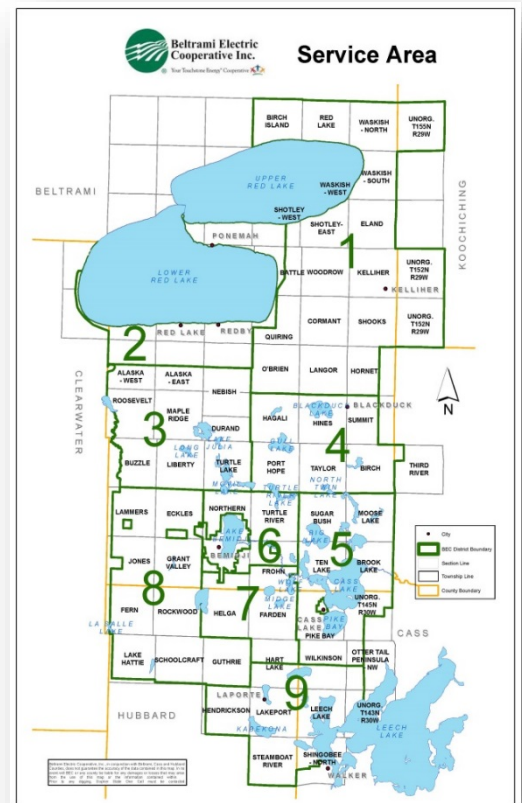

The availability of funds is promoted locally through news releases, the cooperative’s newsletter and its website. The Beltrami Electric Trust Board reviews applications and distributes funds four times per year. Application deadlines are March 29, June 28, September 30 and December 31.
